PARTNERSHIPS

WORLD RECOGNISED
ACCREDITATION

Accredited for compliance
with ISO/IEC 17020
Accreditation No:18805

MINBARINGU Services have a Service Agreement in place with QED who support us with mould inspection and NATA Certified Testing and Reporting.

Demonstrated Experience

QED has been assessing indoor air quality and HVAC cleanliness for over 25 years. In 2020 it undertook more than 700 such inspections from its offices in Perth, Brisbane and Melbourne.

QED's customers include Australia's largest property fund managers and facility managers in the office and shopping centre segments: Lend Lease, ISPT, Charter Hall, Dexus, JLL and CBRE to name some of the biggest. Other segments served by QED with indoor air quality assessments include health/aged care (hospitals and residential aged care), lodging (hotels) and education (universities).
